Oliver's Redcar is proud to have been recognised as the first Fish & Chip Takeaway & Restaurant to have been awarded MSC Certified in the Teesside region.

MSC-C-53712

We offer a 10% discount to members of the Armed Forces and all Emergency Personnel

We are proud to have been awarded Trip Advisor's Certificate of Excellence since 2013

Oliver's, is a company owned by **Michael & Helen Roberts** with a reputation of selling food and drink of the highest quality and done so with a team of fast and friendly staff.

We are all committed to providing the highest quality food and drink for you to enjoy and you will be served from our team of staff who are well trained and knowledgeable in the fish and chip industry and ensure consistent preparation and cooking standards are met at all times. We are very committed to the industry and take our roles very seriously in maintaining high standards of quality, service and cleanliness and are therefore proud of ourselves on achieving the Food Standard Agency 5 star Hygiene award and will continue to maintain this award year on year.

Our fish only comes from recognised suppliers and we always ensure that our fish is of the finest quality. The Cod, Haddock and Skate we use come from sustainable well managed fishing grounds. Our suppliers have provided us with written documentation regarding this sensitive matter. By ensuring the fish we sell is sustainable, we are then able to meet the demands of today, without compromising for future generations to enjoy. We ensure that our Cod, Haddock and Skate are fully traceable by each vessel landed.

Our fish is prepared daily on the premises as is our chips. We only use fresh potatoes, such as Maris Pipers or of very similar quality, to which have the perfect texture for chips. All of our used oils and fats are collected by a local company and turned into Bio-Diesel and the packaging that we use is environmentally friendly.

All of our products are cooked in the highest quality refined and deodorised beef fat and we do not use any dairy products in our light and crispy batter but it contains wheat flour. All of our food is prepared daily and the majority are cooked to order. We work closely with our trusted suppliers to ensure we use the best raw ingredients, and all our food is traceable through our trusted suppliers.

We have produced an allergen and ingredients booklet which contains all of our products and this is updated as and when required. This is also available for you to peruse at your own leisure if you have any special dietary requirements or would like any further information.

We would like to thank you for your continued support and custom, many thanks again!

Michael, Helen and Oliver Roberts
